

Product name : SOLIDLONGLIFE**XD 5250****Description**

SolidLongLife is the odourless thinner that slows down Solid water-based coatings drying.

Version

XD 5250 SolidLongLife

Application possibilities

It can be used in compound with Solid range water-based coatings for interior and exterior, especially in summer or in low humidity conditions.

Peculiarities

It is a water-based coating and contains small quantities of solvent. It contains no dangerous substances for people and nature. It slows down products drying and facilitates colour application.

Application instructions

Read the technical sheets of the specific products.

Product preparation

Ready to use

Chemical and physical characteristics at 23° C

Appearance Clear transparent liquid

Application instructions

Add a quantity of product according to product specifications (between 5 and 20%): mix vigorously for one minute and then add the hardener Solid2k.

Package

5 L tanks.

Storage

The product keeps inalterated its characteristics throughout 18 months if stored inside its original package, tightly closed, at 23° C. Do not store in damp or wet places at temperatures exceeding 35° C.

Packaging recycling

The plastic package must be recycled in the right dumper or recycling point (according to the municipal garbage collection). Please, check that the package is empty and dry, with the minimum possible product quantity inside.

Warnings

Data and information inside this Technical Sheet represent our current best knowledge and experiences and cannot be used as a warranty due to the diversity of materials existing on the market and the difficult monitoring of application conditions.

The final user must check if the product corresponds to his own needs in relation to application tools, supports and environmental conditions of application and drying. In any case, Renner Italia S.p.A. guarantees the constant quality of its products. Renner Italia S.p.A. reserves the right to modify and update this technical sheet according to its own needs. Customers shall verify to own the updated version of this sheet.

CAREFULLY READ AND UNDERSTAND THIS TECHNICAL SHEET BEFORE USING THE PRODUCT
